Announcements/Reports

Committee Charge: The Professional Development Committee serves as an advisory committee for the college professional development programs, and as a resource for training needs across campus. The committee prepares and implements the state required three-year Human Resources Development Plan, and reviews it annually to assure that campus goals and objectives are being met. The committee allocates staff development funds based on criteria in the plan. Additionally, the committee is responsible for planning, programming and communication of campus professional development programs. The faculty members on the committee serve as the campus sabbatical leave committee and make recommendations to the college president for proposed leave recipients. The faculty members also serve as the campus flex committee (1st and 3^d Mondays, 2:00-3:00 p.m.).
