Location, San Diego, CA

Date: November 14-17, 2019

Purpose: The value of the conference lies in its ability to foster an appreciation for the life of the mind and to advance library studies, and my attendance strengthens me as a scholar, as a writer, and as a teacher. The district will benefit by having a teacher who is better connected to and informed by a network of academics who grapple with both the practicalities of the classroom experience as well as the abstract ideas meditated upon by literature scholars.
